Piedmont Hazelnut

## Piedmont Hazelnut

We are a family business, based in Piedmont in a small village Grinzane Cavour. Working tight with local farmers, with we have built a strong partnership trough **OP Produttori Nocciole Associati** with the goal to have better product and high quality.

We buy, dry and shell hazelnuts with strict quality standard. Our products are worked and packed with artisanal care, to offer only the best quality of our Langhe Roero Monferrato hazelnut at competitive prices.

## *The taste of the region*

Destefanis & Novero process only premium quality hazelnut, from the region **Langhe, Roero e Monferrato** that express an excellence in agriculture. Selecting only the best from local farmers whom we directly help through the whole supply chain.

We work the product in order to maintain the same organic characteristic and good taste of an excellent product.

## Simply the best hazelnut in the world

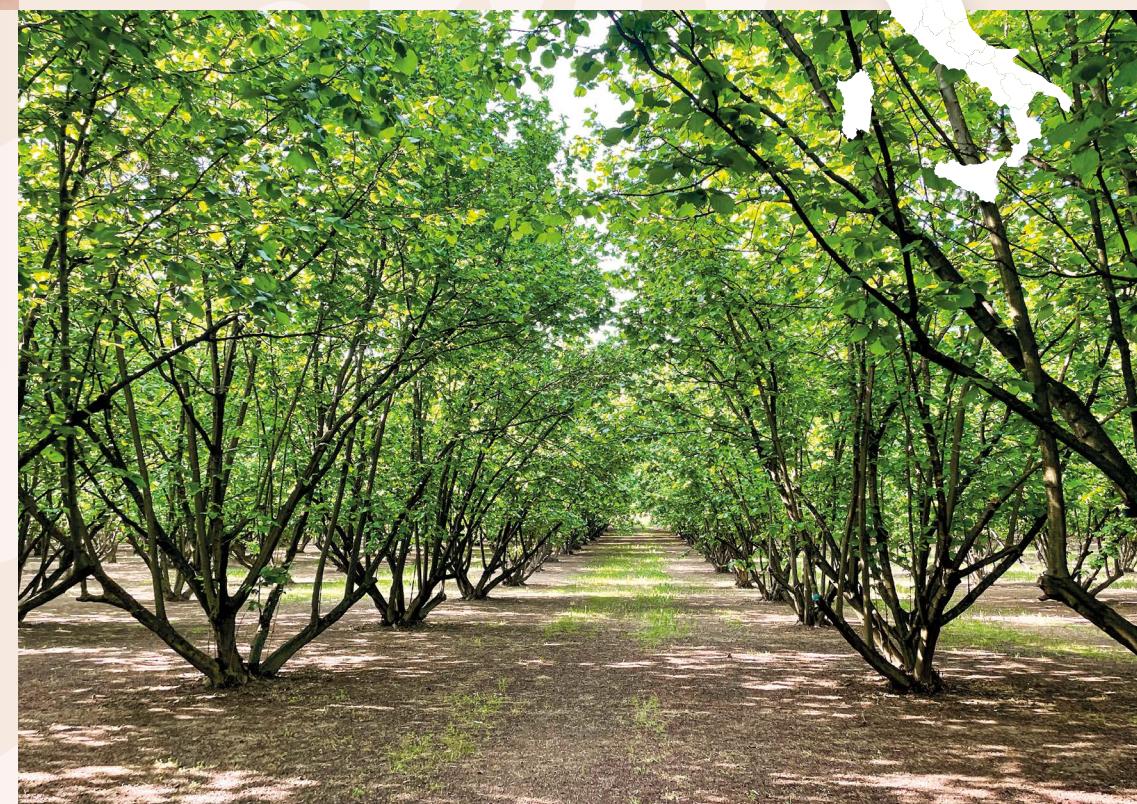

Selecting and working only Piedmont hazelnuts variety **Tonda Gentile from Langhe**. A cultivar selected for its extraordinary organoleptic characteristics, the dimension of his fruits and it is easy to work!

Our hazelnuts have a **high nutrition value**, they are made by noble fat, sugar and protein element, them are precious ally against the bad cholesterol. Supreme flavor, extraordinary fragrance and unique perfume, making every recipe delicious.

Destefanis  
& Novero®

## The right place

From century **Langhe, Roero e Monferrato** are the perfect spot to farm the best cultivar of hazelnut.
